Docket Position:

Against

\*\*\*\*\*CONSUMER OPPOSED TO RATE INCREASE\*\*\*\*\*

Consumer lives in Sedona 6 months a year. She uses less than 5,000 gallons of water and if this rate increase goes through she will be paying 31% more. She states that the rates for the bigger meters does not encourage consumers to conserve water. She states that the consumer with the smaller meters will be paying more.
